

Talk Dirty Section.....Season One

READ THE MIND, SEE THE MOVIE

Scene: David is conducting lie detector tests.

David: Nothing feels quite as good as telling the truth, huh Mr. Nelson? OK, got me. **That first scratch in the morning, that feels pretty good too.** But you get the gist of things, eh Nelson? You're an honest man, we've proved that, and I respect that. **You can go out with my sister anytime. During daylight hours only, of course.**

A knock on the door. It opens to reveal Maddie

David: Speak of the devil. Hi, sis! Relax, this isn't the sister that I meant. This woman's a nun. Sister Maddie.

He motions her into the room.

Scene: In Baker's office.

David: Mr. Baker, that can't be how it happened.

Baker: You're sure of that, are ya?

David: I'll stake my professional reputation, such that it is, on it.

Baker: Well **slick dick**, not only is there an inside source selling company secrets, but today, the brazen little spy sabotaged a government demonstration.

Scene: In the hallway.

David: You're blaming this on me?

Maddie: You heard Baker, Holt beat them to two new patents.

David: It's not my fault. I did everything I could to secure this place – I interviewed every employee, swept the place for bugs, **performed body searches.**

Maddie: When do you get serious?

David: When do you lighten up?

Scene: At Maddie's house.

Maddie: You're standing in my doorway.

David: You don't have to thank me now.

Maddie: Thank you? For breaking into my house, rifling through my things?

David: All right. I admit it. **I went through your underwear drawer.**

Scene: Outside Baker's office

Maddie: I can't believe he called me that.

David: I'm sure he didn't mean it. **He's probably never even met your mother.**

Scene: In Omar Gauss's office.

David begins to go through the desk.

Maddie: What are you doing?

David: **Straightening Omar Gauss's drawers. Be good and I'll do the same for you.**

Scene: In Omar Gauss's office.

Maddie: Preston Holt told me that you provided him with highly classified data relating to SRT industries products.

Gauss: **Were you prone when Holt told you that?**

Maddie: I beg your pardon.

David: Wait a minute, answer the question.

Maddie glares at him and gasps.

Scene: In Omar Gauss's office.

Gauss: I'm sorry. It's my suspicion, young lady, that **Mr. Hold just told you what he needed to to get what he needed to.**

Maddie (icily): He didn't get anything!

David: That's what you say...this guy can look right into your cranium.

Scene: Outside SRT Industries.

David: Don't beat yourself. You took a shot. You lost. The main thing is, you tried.

Maddie: Brian Baker called me names. Preston Holt lied to me. Omar Gauss mocked me. I don't think I like men anymore.

David: **We still like you.**

Scene: Outside SRT Industries.

Maddie: What do we do?

David: Surveillance.

Maddie: What?

David: Surveillance. It's great. I know all about it – I'll teach you. **You're going to look great in black.**

Scene: On top of the house.

David: Get undressed.

Maddie: Isn't it usually a blindfold and a cigarette?

David: Maddie, you're going to want as little on you as possible when you hit the water. Now get undressed.

Maddie: **I don't want to die in my underwear.**

David: I'm sorry I didn't know this was going to happen. If I had known we could have shopped. Now get undressed!

David removes his clothes, **stands back and observes Maddie.** He turns and helps her pull off her shirt.

Maddie: Watch my hair.

Both are in their underwear. He grabs her hand, looks at her and grins.

David: You havin' fun yet?

And they jump.

Scene: In the car.

David looks over at her.

David: Just for the future. **Wet becomes you.**

Maddie: Great!

Scene: David's office at the end of the day.

Maddie: We're pretty good at this, aren't we?

David: Not bad, not bad.

Maddie: We solved a mystery!

David: Send it in to Ripley. Even he wouldn't believe it.

Maddie: This is Ok. This isn't bad. I could do this for a living.

David: **Don't get cocky. I've seen you in your underwear.**

Maddie: Admit it, you're as surprised as I am.

David: What are you talking about? I knew we'd solve it. We make a terrific team.

Maddie imitates him exaggeratedly.

Maddie: The horse is dead. Stop beating it.

David: Did I say that?

Maddie: With great conviction.

David: I didn't mean it. I knew you wouldn't listen to me. I was only saying that to spur you on.

Maddie: **Spur me on?**

David: Worked didn't it.

Maddie: We're pretty good together, aren't we?

David: A regular Herman and Catnip.

Maddie: Well.....

David: Yep.

Maddie: It's getting late.

David: Thanks for beatin' that horse.

Maddie (suggestively): **Thanks for spurrin' me on.**

David: You're all right, kid.

Maddie: You're not bad yourself, fella. Not bad at all.

She walks through the door.

Maddie (incredulously): We solved a mystery!

Scene: David administers the lie detector test.

Maddie: OK, this is fun!

David: **Whatever blows your skirt up.**

Maddie: Ask me another question.

David: You sure?

Maddie: Positive.

David: OK, let's try something easy. Something obvious. **Were both your feet on the floor when Preston Holt told you Omar was giving him Baker's secrets?**

Maddie: Excuse me?

David: I'll rephrase the question. **Did you have an unobstructed view of the sky or the ceiling when this information was imparted?**

Maddie pulls the cuff off.

Maddie: I'm not answering these questions.

David: A simple yes or no will suffice.

Maddie: I hate you!

David: I thought you said you were having fun? I know I'm having a good time!
